Experience (Please give us the names and approximate dates of the production or class, and the director or teacher):

Actors under the age of 18 will need their parent's permission before they can participate.

Please review the rehearsal schedule (it will be available at the audition) and list any conflicts you have. Be as specific as possible. The schedule is still flexible at this time, the sooner we know about your conflicts, the more likely we will be able to adjust the schedule!

In at least three sentences, tell us why it would be smart of us to cast you in this show—what do you bring?

In addition or instead of being in the play, what areas of production are you willing to help with? Check any/all that apply:

- Set building
- Set painting
- Costume construction
- Minor sewing repairs/alterations
- Photography
- Tech (lights/sound)
- Make up/hair
- Stage managing/book holding (an assistant director)
- Box office help
- Ushering/hospitality
- Props—finding, making, organizing

Anything else you need to tell us??
